France to England: We appreciate your talk of "Peace," but we're afraid that Spain is talking of "Piece." Of France, that is. Maybe we should work together to teach the Spaniard the true meaning of "Peace."

Turkey to Balkans: Why didn't you tell me you wanted a friend before you ate up all of my country?

Turkey to Russia: I'm counting on you to provide the waterwings, as I can't swim.

Germany to Russia: Your co-operation is requested in the mangling of the southern and northern threats encroaching upon the peacefulness of central Europe and Scandinavia.

Balkans to Italy: Peace? How about it? You want it!?

Germany to France: Yes, I'd like to draw. Got an extra crayon?

Balkans to Turkey: Bye, Bye Birdie! BANG, GOTCHA!

England to Balkans: Wanna Draw!?

Copenhagen to World: Please spare me!

England to Spain: Remember, what happened to your last Spanish armada when you tried to invade England last time.

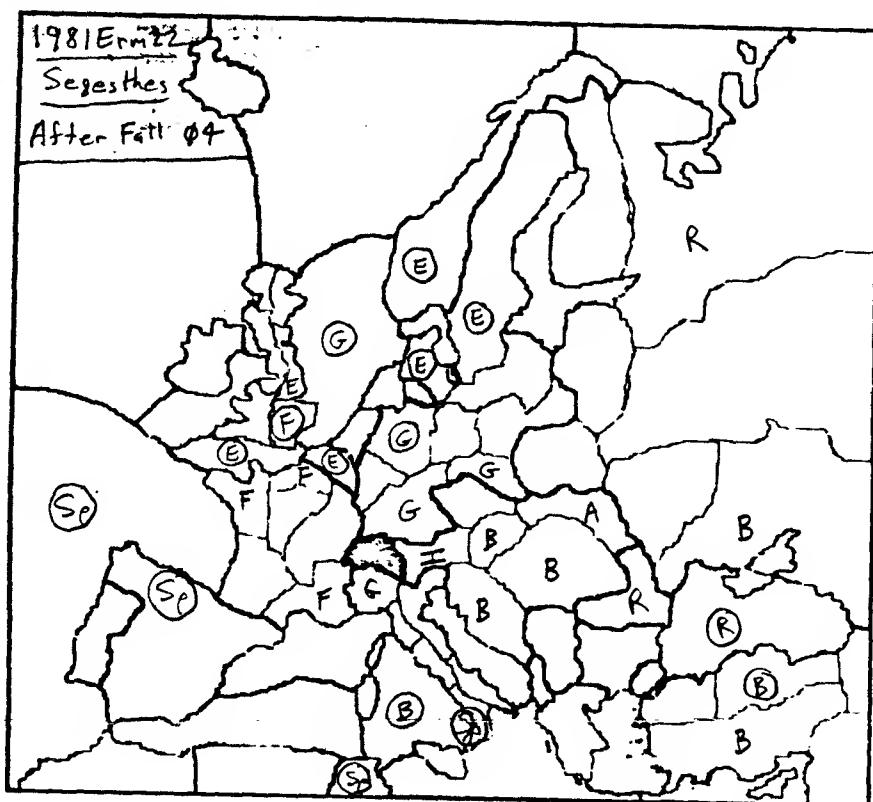

Game Notes: The 82Erm22 last time was just a typo. This game is 81Erm22. There will be a separation of seasons if at least two players ask for one. Just a reminder, Mark Luedi is still in this game. His private power is still alive. Also note that if I get them finished, there will be a set of house rules in this issue.

REBOUND — Yet another TV series from the 1960s will be resurrected when CBS airs "The Return of the Man from U.N.C.L.E. — The 15 Years Later Affair" sometime in 1983. Robert Vaughn and David McCallum will reprise their respective roles as secret agents Napoleon Solo and Ilya Kuryakin. The original series aired from 1964-68 and spunoff **Stefanie Powers** as "The Girl from U.N.C.L.E."

The reason I'm giving Scott's address is that he is running two polls.

(1) The Irsome Music Non Poll. List your 5 favorite albums of '82, 3 best singles, and 3 worst singles. Deadline Jan 29, 1983.

(2) The 1982 Freshman Class Poll. Vote for the best and worst sub-zines and zines that started in 1982. 0=terrible to 10=excellent. Deadline Feb 15, 1983.

Here's last month's quiz (that nobody answered) with a change. The one who gets the most correct answers the quickest wins a free issue of HJ.

- 5.1 What does Segesthes mean?
- 5.2 What are the first names of the four inhabitants of the Tucker's house on *Tucker's Mitch*?
- 5.3 On *Tales of the Gold Monkey* what is Jake's plane named? What is Sarah's profession?
- 5.4 On *Knight Rider* what does KITT stand for? How about KARR?
- 5.5 What are the first and last names, both real and character, for the inhabitants of The Apartment on *Three's Company*?

Hai! Jikai! Houserules

- 1.0 The 1976 Rules of Diplomacy will be used except as overridden here or by the rules of the variant being played.
- 2.0 Preference lists will be used if supplied.
- 3.0 Spring 1901 NMRs will delay a variant. Neutral orders will be used in regular dip.
- 4.0 Conditional orders are encouraged.
- 5.0 Two requests are required to separate seasons unless stated otherwise.
- 6.0 Orders should be on separate pieces of paper for each game and should also be separate from all other correspondence.
- 7.0 Orders should include the game's number or name, the country, the season, the date, and the player's signature. Orders with the latest date or the highest priority number will take precedence. Where two or more sets of orders have the highest precedence ambiguities may occur.
- 8.0 Each unit MUST be individually ordered and MUST have the correct ID. A or F
- 9.0 I will attempt to interpret badly written orders to an extent. But if you do badly write an order you MUST accept my interpretation of the move. If you want an order to be truly mis-written, tell me.
- 10.0 You are free to use whatever abbreviations you want. But, if you don't use standard ones, you get what I decide, NO arguments. NOR usually is NWY.
- 11.0 The unwanted convoy will be allowed. Even to disrupt a purely land move.
- 12.0 Orders may be mailed or phoned and must arrive on or before the deadline. Phone deadline is noon of the deadline day. NO calls after midnight. ABSOLUTELY NO collect calls. NO NMR insurance calls will be made.
- 13.0 Errors in adjudications must be reported by the next deadline or they will stand.
- 14.0 Standard treatment of NMRs. Standbys will be used if available.
- 15.0 Resignations will be accepted with a final set of orders. The player can recommend a replacement.
- 16.0 A Standby will receive a free issue of HJ when he is called and submits a set of orders.
- 17.0 A player may win by meeting the victory criterion or by concession.
- 18.0 Draws and concessions may be proposed by and may include any remaining country. I will NOT run DIAS games.
- 19.0 An NVR is a vote against yourself.
- 20.0 Grey press except on black press games. You may dateline press from anywhere except for anyone else's home centers and the datelines: Vondium, GM, HJ, Hai! Jikai!, Orangevale, Vallia, & Dray (Prescot) which are mine.
- 21.0 If you deceive the GM here, bad things WILL happen to you.
- 22.0 These rules may be changed or amended at any time.

Well, there they are. I tried to keep them very simple. If you have any questions about them, feel free to ask.
